"This just came in over the wire..."

HERO TYPES

There are a lot of hero types! In the Occult Expansion, we add quite a few new heroes, many specific only to a single faction. The charts below help players keep track of the many different hero types, which factions these hero types belong to and where these hero types can be found. A hero type can only be added to models from the faction that hero type belongs to.

US Army/OSS	ARPA	OORD	British Army	MoAA
Abomination Hunter ¹	Abomination Hunter ¹	Abomination Hunter ¹	Abomination Hunter ¹	Abomination Hunter ¹
